Number of other people who attended workshops and presentations	26
Number of advertisements of services *including brochures, handouts, social media posts	250

“Your travel training opens a whole new perspective for our students.”

*Louisa County High School
Special Education Teacher*

PATH Activities in March

- PATH and Jaunt partnered to bring hands-on travel training to students at Louisa County High School, helping young people in the school's special education program build real-world skills for independent transportation. Through interactive lessons, students learned how to set up accounts, call to schedule rides, and practice using Jaunt services firsthand, gaining confidence in navigating public transit.
- We held a presentation for the Literacy Volunteers of Charlottesville and Albemarle, who each month offer professional development for our volunteer tutors who work with adult immigrants and refugees in the Charlottesville area.
- We participated in the South Albemarle community group meeting in North Garden to promote PATH's activities, connect with community members, and promote the idea of starting a volunteer driver program.
- PATH staff continued answering calls through PATH Helpline and assisted older adults and people with disabilities with finding transportation services.
- We continued advanced planning for a new volunteer driver program, including discussions with potential partners, development of project materials, scheduling, and database software planning.
- PATH staff participated in Louisa, Nelson, and Fluvanna County Inter-Agency Council meetings, as well as Move2Health Equity meeting.

Marketing

- PATH continued a digital marketing outreach campaign, distributing promotional materials to multiple local organizations and institutions.
- PATH continued marketing campaign in CAT buses.
- PATH continued the marketing campaign of the Transportation Assistance Fund.
- PATH assisted Cville Village with marketing efforts.
- We issued another edition of PATH's newsletter.

Volunteer Driver Program Support

PATH continues support of local volunteer driver programs (Cville Village, Here to Stay in Wintergreen).

PATH offers organizational and substantive assistance for volunteer programs. We provided:

- answering calls, software management and scheduling rides for Cville Village members
- know-how and program development guidance
- staff and marketing assistance
- office support

Transportation Assistance Fund

PATH continues to support individuals with critical transportation needs through the Transportation Assistance Fund, currently funded by the "Twice is Nice" grant. The fund provides financial assistance for non-emergency medical transportation, helping eligible residents access essential healthcare appointments when no other transportation options are available. **In March, TAF provided 2 rides.**

PATH

Partnership for Accessible Transportation Help

PATH is a free informational hub for all transportation options in the City of Charlottesville and Albemarle, Nelson, Greene, Louisa, and Fluvanna counties. By centralizing assistance through an accessible and user-friendly platform, PATH aims to ensure that every individual can navigate their journey with confidence and ease.
